

BELLAIRE SOCCER CLUB

Scholarship Policy

Policy Statement

It is Bellaire Soccer Club's (BSC) policy to support member teams to the extent possible given club resources through granting scholarships for club registration fees.

Procedure

Only teams with players that pay individual registration/field use fees directly to the club shall be eligible for scholarships. Teams that pay a team field use fee are not eligible for scholarships. Scholarship amounts shall normally be in the amount set by the club for seasonal registration or seasonal individually-assessed field use fee.

Teams shall be limited to two scholarship grants per team per season. Coaches, at their discretion, may elect to split scholarships over more than two players. In such cases, scholarships will be granted on a prorated basis as directed by the coach and limited to the equivalent of two full scholarships.

BSC expects, but does not mandate, that players granted scholarships by the club for registration purposes will also be granted discounted team fees on any team-wide fees assessed (e.g., training fees, tournament fees, etc.). Coaches are responsible for enforcing this provision.

Scholarships are applied for by players using the attached form. Scholarship applications will be reviewed and approved by a committee of the Club President and Vice President for Administration. If the scholarship application is from a team represented by one of the committee members, the remaining committee member shall review and approve the application.
